CEO

OUR COMPANY

Elegance Engineering and Manufacturing Technology PLC Elegance Engineering and Manufacturing Technology PLC is a premier provider of advanced elevator and escalator systems in Ethiopia. We specialize in the supply, installation, and maintenance of high-quality elevators and escalators. Additionally, we are engaged in the mining and export of key minerals such as copper ore, lithium, tantalum, and precious stones.

Elegance General Trading SARL Established in Djibouti, Elegance General Trading SARL focuses on facilitating seamless import and export activities. We specialize in trading a diverse range of technical and industrial goods, including industrial machinery, electronic equipment, and raw materials, while providing advanced logistics and warehousing solutions.

KOR-Qaad Multiservice Ltd KOR-Qaad Multiservice Ltd, based in Somaliland (Berbera), offers a wide range of technical services and solutions. Our expertise includes logistics, solar power solutions, electric vehicle (EV) infrastructure, and export business. We strive to support sustainable development in the region through our comprehensive services.

ELEGAS Ethiopia Trading PLC Operating under the coffee brand ELEGANCE Coffee, ELEGAS Ethiopia Trading PLC is dedicated to promoting Ethiopian coffee globally. We facilitate the export of premium Ethiopian coffee, ensuring the highest standards of quality and sustainability. Our commitment to excellence and ethical practices sets us apart in the international coffee market.

OUR CAPABILITIES

Elegance Engineering and Manufacturing Technology PLC

About Us: Elegance Engineering and Manufacturing Technology PLC is a leading provider of advanced elevator and escalator systems in Ethiopia. With a commitment to excellence, we specialize in the supply, installation, and maintenance of high-quality elevators and escalators, as well as the mining and export of essential minerals.

Our Capabilities:

Elevators and Escalators: Expertise in designing, supplying, installing, and maintaining advanced elevator and escalator systems tailored to residential, commercial, and industrial buildings.

Passenger Elevators: Customizable to different capacities and building requirements.

Freight Elevators: Heavy-duty elevators for industrial use.

Escalators and Moving Walkways: High-efficiency systems for public transportation hubs and commercial spaces.

Mining and Export: Proficient in the extraction and export of high-demand minerals, including:

Copper Ore: High-grade copper ore for industrial use.

Lithium: Essential for battery production in electric vehicles and electronic devices.

Tantalum: Used in electronics, especially capacitors and high-power resistors.

Precious Stones: Including gemstones such as sapphires, emeralds, and rubies.

Project Management: Comprehensive project management services to ensure seamless execution and timely delivery of projects.

Innovation and R&D: Continuous investment in research and development to innovate and improve our products and services.

OUR CAPABILITIES

ELEGANCE General Trading SARL

About Us: ELEGANCE General Trading SARL, established in Djibouti, is dedicated to facilitating smooth and efficient import and export activities. We specialize in trading a diverse range of technical and industrial goods, ensuring the highest standards of service and reliability.

Our Capabilities:

Import and Export: Expertise in handling a wide range of technical products, including:

Industrial Machinery: Import and export of machinery for construction, manufacturing, and agricultural sectors.

Electronic Equipment: Trading of electronic devices and components.

Raw Materials: Facilitating the trade of essential raw materials for various industries.

Logistics and Warehousing: Advanced logistics solutions including:

Transportation Services: Efficient transport of goods via land, sea, and air.

Warehousing Facilities: State-of-the-art warehouses for safe storage and handling of goods.

Customs Expertise: In-depth knowledge of customs regulations and clearance procedures to ensure smooth cross-border transactions.

Supply Chain Management: Comprehensive supply chain management services to optimize the flow of goods and materials.

OUR CAPABILITIES

KOR-Qaad Multiservice Ltd

About Us: KOR-Qaad Multiservice Ltd, established in Somaliland (Berbera), offers a comprehensive range of technical services and solutions. Our expertise spans logistics, solar power solutions, electric vehicle (EV) infrastructure, and export business.

Our Capabilities:

Logistics: Comprehensive logistics services including:

Transport and Distribution: Efficient transport services for goods and products.

Customs Clearance: Expertise in customs regulations and clearance procedures.

Solar Power: Providing sustainable energy solutions, including:

Solar Panels: Installation and maintenance of solar panels for residential, commercial, and industrial use.

Energy Storage Systems: Advanced battery systems for energy storage.

Electric Vehicles (EV): Supply and maintenance of electric vehicles and related infrastructure, including:

Charging Stations: Installation of EV charging stations.

EV Fleet Management: Solutions for managing electric vehicle fleets.

Export Business: Export of various goods and commodities from Somaliland, including agricultural products and minerals.

Technical Support: Providing technical support and maintenance services for all our products and solutions.

OUR CAPABILITIES

ELEGAS Ethiopia Trading PLC

About Us: ELEGAS Ethiopia Trading PLC, operating under the coffee brand ELEGANCE Coffee, is committed to promoting Ethiopian coffee on the global stage.
